Dear Bishop Tomlinson,

On behalf the Board of Directors at Free For All Foundation we would like to express our thanks and appreciation for hosting the seniors program and breakfast at your banquet facility. The service was outstanding and food quality was excellence.

We have received numerous compliments from our client's on how delicious and different the food was! They truly enjoyed everything and we did not hear one negative comment on the food which is always a beautiful thing!

The presentation was gorgeous from the continental breakfast down fruit serving were stunning and tasted amazing as well.

The seniors and I truly respect and appreciate the relationship that we have built together. We cannot tell you what it means to us to have a caterer and partner that we entrust with our ultimate VIPs- to always be on time, be professional and respectful and to work together to ensure that the end result is a win –win for both of us.

And please extend a big thank you to everyone who worked so hard to ensure the event was a success.

Again, please accept our most heartfelt thanks to you for everything you do for us and our community. We are grateful for our partnership

Sincerely,

David Green
